**State of New Hampshire
Town of Jaffrey
Annual Town Meeting Warrant
Minutes for 2000**

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 14th March, 2000 at eight o'clock in the forenoon (polls close at 7:00p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 18th, 2000, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

Art. 1. To choose the following Town Officers: (by Official Ballot)

**Moderator - two year term - Marc P. Tieger
Selectman - three year term - Jeanne LaBrie
Trustee of the Trust Funds - three year term - Gary P. Arceci
Supervisor of the Checklist - six year term - Sylvia J. Hamilton
Library Trustees - three year terms - Maria Thoin
- C. Tuesday Wright**

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, to be voted on by Official Ballot:

- 1. Are you in favor of adopting Amendment Number 1 to the Land Use Plan as proposed by the Planning Board? This amendment eliminates some inconsistent wording in the ordinance, establishes provisions for storage, collection and disposal of refuse for multi-family units within Clusters, contains standards for construction of private roads, and requires a fifty foot buffer area around the exterior of a Cluster Development.**

Yes-830

No- 179

- 2. Are you in favor of adopting Amendment Number 2 to the Land Use Plan as proposed by the Planning Board? This amendment clarifies language of the sign ordinance and also contains new provisions for signs in industrial parks, complexes, and shopping centers of ten or more acres.**

Yes - 806

No - 194

- 3. Are you in favor of adopting Amendment Number 3 to the Land Use Plan as proposed by the Planning Board? This amendment cleans up the language and restores provisions allowing sale and repair of automobiles and for upholstery shops in the Commercial Districts.**

Yes - 809

No - 190

4. Are you in favor of adopting Amendment Number 4 to the Land Use Plan as proposed by the Planning Board? This amendment establishes provisions regarding signs placed in windows in the commercial districts.

Yes - 697

No - 279

5. Are you in favor of adopting Amendment Number 5 to the Land Use Plan as proposed by the Planning Board? This amendment stipulates that the school portion of Impact Fees may be used only for capital projects and requires that these funds be used solely as revenue to reduce Jaffrey's local education tax rate.

Yes - 876

No - 123

6. Are you in favor of Amendment Number 1 to the Manufactured Housing/Mobile Home Park Ordinance as proposed by the Planning Board? This is a complete re-write of an old ordinance. The new version eliminates out of date language and provisions, adjusts requirements to conform with current conditions, and provides for setting aside open space for common use.

Yes - 834

No - 161

Recessed until March 18th , 2000, at 9:00 a.m.

The hour of 9:00a.m. having arrived, the Town Moderator, Marc P. Tieger, reconvened the Annual Town Meeting of Jaffrey.

The Pledge of Allegiance was led by the Boy Scouts from Troop 33, after which Mr. Tieger asked everyone to remain standing for a moment of reflection.

Mr. Tieger recognized Jim Dumont, Owen Houghton, Cynthia Hamilton, Charles Royce, to speak briefly on a few town related items of interest.

Mr. Tiger then went over the basic ground rules of how he moderates his meeting. He made note that Philip Cournoyer and Charles Royce will be Pro tem Moderators.

Mr. Tieger then recognized those who helped with the elections on Tuesday.

Mr. Tieger then introduced the mike handlers, the Department Heads, Board of Selectmen, Town Manager, Town Clerk and the Budget Committee Chairman.

The Chairman of the Board of Selectmen, Jeanne LaBrie, was then recognized to speak. Mrs. LaBrie read, in part the following resolutions:

"Whereas, Lyn Lambert has served the Town of Jaffrey with honor and distinction for nine years as a member of the Jaffrey Library Trustees;

Whereas, Gary Arceci has served the Town of Jaffrey with honor and distinction for nine years as a member of the Jaffrey Budget Committee;

Whereas, Patricia Cournoyer was served the Town of Jaffrey with honor and distinction for six years as a member of the Jaffrey Library Trustees;

Whereas, William Driscoll has served the Town of Jaffrey with honor and distinction for six years as a member of the Jaffrey Historic District Commission;

Whereas, Nancy Luscombe has served the Town of Jaffrey with honor and distinction for four years as a member of the Jaffrey Planning Board;

Whereas, Paul Robichaud has served the Town of Jaffrey with honor and distinction for three years as a member of the Jaffrey Cemetery;

Whereas, Harvey Sawyer has served the Town of Jaffrey with honor and distinction for six years as a member of the Jaffrey Conservation Commission;

Whereas, Franklin W. Sterling, Jr., has served the Town of Jaffrey with honor and distinction for five years as a member of the Jaffrey School Budget Advisory Committee;

Whereas, all members of the Y2K Committee have served the Town of Jaffrey with honor and distinction;

Now, therefore , be it resolved in Town Meeting convened March 18, 2000, that the Town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.”

The resolutions were accepted by acclamation.

Mr. Tiger then stated that the warrant had been posted at the Jaffrey Public Library, the Jaffrey Post Office, and the Town Offices. He moved that we waive the reading of the warrant in its entirety, and it was seconded to do so.

Mr. Tiger then read the results of Article 1 and 2, which were on the Official Ballot from the Tuesday elections. He also read the results of the Jaffrey-Rindge Cooperative School District Ballot. **Which were as follows:**

School District Moderator - David Tower - 903

So moved and seconded. The article was addressed by Selectwoman Jeanne LaBrie.

The article passed by voice vote.

Art. 4. To see if the Town will vote to raise and appropriate the sum, not to exceed, One Million Five Hundred Thousand Dollars (\$1,500,000) for the purpose of installing new water mains throughout the water system. These new mains will aid in our efforts to conserve water, and provide better service. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. The funding formula for this bond shall be as follows: the water users shall pay the principal and interest on two-thirds (66.7%) of the bond amount, or \$1,000,000; and the general tax base shall pay the principal and interest on one-third (33.3%) of the bond amount, or \$500,000.
Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

So moved and seconded. The article was addressed by Selectman Richard Olson.

After much debate, questions and comments the polls were open for one hour. The “A” ballot was used for this vote.

The article passed by the required 2/3rd majority.

Art. 5. To see if ;the town will vote to raise and appropriate the sum of \$4,530,537 for the purpose of defraying the cost of the town’s operating expenses for the year 2000. Recommended by the Selectmen and the Budget Committee.

So moved and seconded. The article was addressed by Budget Committee Chairman Robert Bussiere.

Without much discussion the article was moved to vote.

The article passed by voice vote.

Art. 6. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union AFSCME Local 2973 which calls for the following increases in salaries and benefits (these amounts are included in Article 5):

<u>Year</u>	<u>Estimated Increase</u>
2000	\$48,117
2001	\$18,412
2002	\$19,481

So moved and seconded. The article was addressed by Selectwoman Jeanne LaBrie. Mrs. LaBrie made note that each years’ increase would be included with that corresponding years budget.

With no discussion the article was moved to vote.

The article was passed by voice vote.

Art. 7. Shall Jaffrey, if Article 6 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 6 cost items only?

This article was passed over due to the passing of Article 6.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1996 under RSA 35:1, for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment. Recommended by the Selectmen and the Budget Committee.

So moved and seconded. The article was addressed by Selectman Michael Barlick.

With no discussion the article was moved to vote.

The article passed by voice vote.

So moved and seconded. The article was addressed by Selectman Michael Barlick. Mr. Barlick made note that the amount had been amended from the posted warrant because the bid for the new truck was less than expected.

After a short discussion the article was moved to vote.

The article was passed by voice vote.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$20,000 for the purpose of constructing a new surface for the skating rink/basketball court area at Humiston Field. Recommended by the Selectmen and the Budget Committee.

So moved and seconded. The article was addressed by Selectwoman Jeanne LaBrie.

After a short discussion the article was moved to vote.

The article passed by voice vote.

Article 11. To see if the Town will vote to create a trust fund, under NH RSA 31:19-a, for the purpose of restoration and replacement of gravestones throughout the town's cemeteries, and to raise and appropriate \$2,500 to be placed in this fund. Recommended by the Selectmen. Not Recommended by the Budget Committee.

So moved and seconded. The article was addressed by Selectman Michael Barlick.

After some lively discussion the article was moved to be amended as follows:

"To see if the Town will vote to create a trust fund, under NH RSA 31:19-a for the purpose of restoration and resetting of gravestones throughout the town's cemeteries and to raise and appropriate \$2,500 to be placed in this fund."

It was moved to vote on the amendment.

So moved and seconded. The article was addressed by Selectman Michael Barlick.
After a few brief comments and questions the article was moved to vote.

The article was passed by voice vote.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$17,000 to be deposited into the Town History Fund. This is the last installment for this Trust Fund. Volume IV of the Town History will be published this year, and all proceeds from the sale of the Town History will go to offset the money which has been placed in this fund since 1996. Recommended by the Selectmen and the Budget Committee.

So moved and seconded. The article was addressed by Selectwoman Jeanne LaBrie.
With no discussion the article was moved to vote.

The article was passed by voice vote.

(Mr. Tieger resumed his role as moderator.)

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$2,000 and to authorize the Board of Selectmen to purchase a piece of land at the corner of Gilmore Pond Road and Jaquith Road. The Town currently uses the land as part of the roadway. The Town needs to purchase this land in order to continue to be able to use it for vehicular traffic. Recommended by the Selectmen and the Budget Committee.

So moved and seconded. The article was addressed by Selectman Richard Olson.
After no discussion the article was moved to vote.

The article was passed by voice vote.

So moved by Joanne Buck and seconded by William Jackson. The article was addressed by Peter Davis.

After some discussion it was moved to vote. Since it was difficult to determine by voice vote, a standing division vote was taken.

Yes - 40

No - 46

The article was defeated.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the efforts to purchase new playground equipment for the Jaffrey Grade School Community Playground. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

So moved by Amanda Guitard and seconded by Lee Bruder; the article was addressed by Amanda Guitard.

After one question the article was moved to vote.

The article passed by voice vote.

Art. 23. To see if the Town will vote to adopt the revised Stone Bridge Industrial Park Tax Increment Financing Plan dated January 27, 2000, which stipulates how tax increment funds will be expended in implementation of the Stone Bridge Industrial Park Development Program. Funds will be used to cover engineering and administration costs for design of a new and safer access to the current bridge configuration over the Contoocook River at the junction of Hadley and Old Sharon Roads, along with other infrastructure projects identified in the development plan. This article is in response to Article 24(B) approved at the 1999 Town Meeting.

So moved and seconded. The article was addressed by Selectman Richard Olson.

After some discussion the article was moved to vote.

The article passed by voice vote.

Art. 24. To see if the Town will vote to accept a 13.9 acre piece of land located off Fitzwilliam Road and to delegate the management of this land to the Conservation Commission. The land will be a Town Forest. And will be called the "Bixler Forest".

So moved and seconded. The article was addressed by Selectman Michael Barlick.

After some interesting discussion the article was moved to vote.

The article passed by voice vote.

Art. 25. To take up any other business which may legally come before this meeting.

Bill Chamberlain was recognized to speak. Mr. Chamberlain wanted to know why the Town doesn't take more action or seek restitution from those persons who commit criminal acts.

Jaffrey Police Chief Robert Pelio answered by saying that we do as much as to what the law allows us to do.

Having no other business at hand the meeting was adjourned at 1:00 p.m.

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT
2001**

**Elections – March 13, 2001 (8:00 a.m. to 7:00 p.m.)
Business Meeting – March 17, 2001 (9:00 a.m.)**

LAYMAN'S WARRANT

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 13th of March, 2001 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 17th, 2001, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

LAYMAN'S LANGUAGE: Please come to Pratt Auditorium between 8 a.m. and 7:00 p.m. on Tuesday, March 13, 2001 to vote for the officers listed in Article 1, and the questions as listed in Article 2. Then on Saturday, the 17th (St. Patrick's Day!!) at 9:00 a.m., please return to Pratt Auditorium for the business portion of the meeting.

Art. 1. To choose the following Town Officers: (by Official Ballot)

Selectman - one person for three year term
Trustee of Trust Funds - one person for three year term
Library Trustee - two persons for three year terms

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, and as submitted by petition, to be voted on by Official Ballot: (The exact text of each of these proposed changes is available at the Town Clerk's office and at the polling place.)

1. Are you in favor of the adoption of Amendment #1 to the Land Use Plan as proposed by the Planning Board which replaces Section VII, Cluster Zoning, with a new Section VII, Open Space Development Plan (OSDP)?

Over the years Jaffrey's provisions for "cluster developments" accumulated some conditions which both obscured the intent and discouraged use of those provisions. The proposed change wipes the slate clean and places emphasis where it belongs: preserving open space and offering an attractive alternative to urban sprawl.

2. Are you in favor of the adoption of Amendment #2 to the Land Use Plan as proposed by the Planning Board which states that agriculture is permitted anywhere in the Town of Jaffrey in accordance with the Department of Agriculture Best Management Practices?

This amendment regarding agriculture makes Jaffrey's ordinance conform to state law.

3. Are you in favor of the adoption of Amendment #3 to the Land Use Plan as proposed by the Planning Board? This amendment adjusts deadlines for Planning Board action on applications in conformity with changes in State Law.

Another amendment needed to make our ordinance/regulations conform with changes in state law as enacted last year.

4. Are you in favor of the adoption of Amendment #4 to the Land Use Plan as proposed by the Planning Board which clarifies language relating to Wireless Communication Facilities, including adding the word "structure" to paragraphs 4.1 and 4.2?

Every time there's a new court decision regarding Wireless Communication Facilities, communities have to consider clarifying the language of the regulations in the light of the court's decision. In this case, the wording makes clear that the ordinance intends that cellular towers are considered to be structures.

5. Are you in favor of the adoption of Amendment #5 to the Land Use Plan, Excavation of Earth Ordinance, and Wetlands Conservation District Regulations as proposed by the Planning Board? The amendment updates the definition of scenic views in the Land Use Plan and adjusts language in related ordinances to conform with emphasis on scenic views.

This amendment emphasizes the importance of Jaffrey's scenic vistas. During the past year the Planning Board re-examined town ordinances in the light of new developments and new court decisions. The board feels that in order to help preserve our environment our ordinances should place additional emphasis on preservation of Jaffrey's scenic views.

6. Are you in favor of the adoption of Amendment #6 to the Land Use Plan as proposed by the Planning Board which amendment authorizes the adjustment of impact fees under special circumstances?

A recent court decision says a municipality may, under special circumstances, require a developer to pay a fair share of off-site impact costs related to a development. This amendment permits a town to do that. Recommended by Town Counsel.

7. Are you in favor of the adoption of Amendment #7 to the Land Use Plan, as proposed by the Planning Board, which clarifies and restates that lot sizes and dimensions are intended for one principal structure per lot?

This amendment contains a minor change in wording but no change in the intent of the ordinance. The Planning Board feels that to avoid a possible lawsuit this amendment is needed to clarify what the ordinance has always intended: one house per lot.

8. Are you in favor of the adoption of Amendment #8 to the Land Use Plan as proposed by the Planning Board, which amendment clarifies that the ordinance referred to in the Town's Shoreland Overlay District provisions in the Town of Jaffrey's Land Use Plan?

Another minor change in wording to make sure the intent of the ordinance is clear. When the provisions for the Shoreland Overlay District were adopted the wording simply said “the ordinance.” This amendment makes it clear: Jaffrey’s Land Use Plan is “the ordinance”.

9. Are you in favor of Amendment #9, pertaining to the Manufactured Housing/Mobile Home Park, as proposed by the Planning Board, which requires that all utility wires, cables, and conduits shall be installed underground in accordance with accepted engineering practices?

The requirement for putting utilities underground in Manufactured Housing/Mobile Home Parks didn’t get in last year’s re-do of the provisions. This amendment corrects the oversight.

10. Are you in favor of the adoption of Amendment #10 to the Land Use Plan as proposed by the Planning Board which re-states that Manufactured Housing/Mobile Homes are permitted in the Town of Jaffrey only in Manufactured Housing/Mobile Home Parks and Subdivisions?

A decade ago the Town voted to restrict Manufactured Housing/Mobile Homes to Mobile Home Parks and Mobile Home Subdivisions. Sometimes when ordinances are republished the language can become unclear, leading to a possible court challenge. This amendment re-states what the Town voted previously.

11. Are you in favor of the adoption of Amendment #11 which states that Manufactured Housing/Mobile Homes are permitted on any lot in the Rural Districts? BY PETITION. The Planning Board does not recommend this proposed amendment.

This amendment submitted by petition proposes to change the Jaffrey Land Use Plan to allow Manufactured Housing/Mobile Homes on any lot in the Town’s Rural Districts. The Planning Board DISAPPROVES of this proposed amendment.

12. Are you in favor of the adoption of Amendment #12 as proposed by the Planning Board, which amendment contains non-substantive updating of the language of the Floodplain Development Ordinance to conform with specifications of the National Floodplain Insurance Program?

This amendment doesn’t change the intent of the ordinance, but was suggested by the Director of the National Floodplain Insurance Program in order to make sure Jaffrey properties are properly covered by our ordinances in the event of a flood.

13. Are you in favor of the adoption of Amendment #13 to the Land Use Plan as proposed by the Planning Board which amendment changes lot size in the Rural District WITHOUT Town Water from 120,000 square feet to 130,680 square feet (three acres) with 60’ front setback.

This amendment calls for an increase in lot size for lots in the Rural Districts WITHOUT TOWN WATER, from 2.75 acres to 3 acres, and changes front setback from 30’ to 60’.

14. Are you in favor of the adoption of Amendment #14 to the Land Use Plan, as proposed by the Planning Board, which changes lot sizes in the Rural Districts WITH Town Water from 60,000 square feet to 65,340 square feet (1.5 acres), 150’ frontage, 60’ front setback?

This amendment calls for an increase in lot size for lots in the Rural Districts WITH TOWN WATER, from 1.38 acres to 1.5 acres, changes the frontage from 125' to 150' frontage and the front setback from 30' to 60'.

15. Are you in favor of the adoption of Amendment #15 to the Land Use Plan, as proposed by the Planning Board, which states that in an Open Space Development Plan (OSDP) if the lots are served by community sewerage disposal systems, lot sizes in the Residence A and Residence B Districts shall be the same as lots in those districts which are served by Town Sewer (20,000 square feet)?

In Open Space Housing Developments housing can be served by construction of community sewerage systems rather than by Town sewer. Because private community-based sewer systems afford the same protection to groundwater as does the Town sewer system, lot size should be the same, 20,000 square feet.

Art 3. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is simply to accept all reports as printed in the Town Report, and to take the opportunity to discuss them if anyone has a question.

Art. 4. To see if the Town will vote to raise and appropriate the sum, not to exceed, Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000) for the purpose of upgrading the wastewater treatment facility, upgrading the River Street sewer pumping station, develop a plan for disposal of wastewater sludge, and develop a plan for disposal of septage. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. The funding formula for this bond shall be as follows: the sewer users shall pay the principal and interest on two-thirds (66.7%) of the bond amount; and the general tax base shall pay the principal and interest on one-third (33.3%) of the bond amount. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: This article represents a sum of money to accomplish four different projects within the sewer system. The first is a state and federally mandated upgrade to the treatment facility to remove ammonia and metals from the discharge into the Contoocook River. We have been working on this for many years, and with this bond, we hope to have this project completed by December 2004. The other three projects include an upgrade to the River Street pumping station, a sludge management plan, and a septage management plan.

Art. 5. To see if the Town will vote to raise and appropriate the sum, not to exceed, Seven Hundred Fifty Thousand Dollars (\$750,000) for the purpose of designing and constructing a new bridge across the Contoocook River at the intersection of Route 202, Pierce Crossing Road and Hadley Road. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., as amended, and to authorize

the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: Two years ago we created Tax Increment Finance Districts (TIFD). One is located in the downtown area, and the other is located in the Old Sharon Road area. The purpose of these TIFDs is to raise money from new construction within the TIFD which can be used to offset capital improvements within that particular TIFD, instead of raising money off the town-wide tax base. The Old Sharon Road area TIFD has raised funds to pay for a new bridge across the Contoocook River near Pierce Crossing and Hadley Roads. The new bridge will be bonded, and those bond payments will be paid directly from the TIFD funds, and thus, these funds do not have to be raised from the town-wide tax base.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$5,041,814 for the purpose of defraying the cost of the town's operating expenses for the year 2001. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is the article which provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 7. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police union, AFSCME local 3657 which calls for the following increases in salaries and benefits, this amount is included in Article 6:

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2001	\$98,183

LAYMAN'S LANGUAGE: After over a year's worth of negotiating we have reached an agreement with the police union. This agreement provides incentives for our officers to stay physically fit, and to enhance their education. We believe that this will provide a more effective police officer who will better represent the town. As you know, police officers carry a great deal of authority in their jobs. It is our belief that a well-trained, well-educated, and physically fit officer will present the proper image to the public, and carry out his/her duties in a manner that is most beneficial to the residents of Jaffrey.

Art. 8. Shall Jaffrey, if Article 7 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 7 cost items only?

LAYMAN'S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 7 should it fail. If Article 7 passes, then this article is passed over.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$38,000 to cover police union cost items from the year 2000, and are as a result of the 2000-2004 contract between the Town of Jaffrey and the Police union, AFSCME local 3657. Recommended by the Selectmen

and the Budget Committee.

LAYMAN’S LANGUAGE: This represents the cost items incurred in the year 2000 with respect to the new police contract.

Art. 10. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union, AFSCME local 2973 which calls for the following increases in salaries and benefits, this amount in included is Article 6:

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2001	\$69,865

LAYMAN’S LANGUAGE: This is the second year of a three year agreement worked out with the employees of the Public Works Department. As with the police, we aim to provide incentives to those employees who seek to improve their qualifications. We are proud of our DPW employees who perform such admirable work, especially during snow removal operations.

Art. 11. Shall Jaffrey, if Article 10 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 10 cost items only?

LAYMAN’S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 11 should it fail. If Article 11 passes, then this article is passed over.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1997 under RSA 35:1, for the purpose of purchasing new or refurbishing existing highway equipment. Recommended by the Selectmen and the Budget Committee.

LAYMAN’S LANGUAGE: There is approximately \$25,000 in this fund now. It is our goal to bring this fund up to at least \$150,000 to help offset the cost of expensive equipment such as a grader, loader, street sweeper or ten-wheel dump truck.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$2,500, and to deposit said sum into the Gravestone Restoration Trust Fund, created in 2000, under NH RSA 31:19-a. Recommended by the Selectmen and the Budget Committee.

LAYMAN’S LANGUAGE: Due to the continuing battle the Town has with vandals in the town’s cemeteries, our Cemetery Committee has recommended a separate trust fund to be established for the restoration and replacement of gravestones. We want the Town to be aware of the criminal acts some people choose to perform without regard to the privacy of others. Also, beyond the vandalism there is a need to replace some gravestones which have worn out over the years.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$7,500 to support the VFW Ambulance Service. Recommended by the Selectmen and the Budget Committee.

LAYMAN’S LANGUAGE: This article is an annual request of the Town in order to make donation to the VFW Ambulance Service which provides an incredible service to all the

residents of Jaffrey and Rindge at NO charge.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$2,500 to be deposited into the Town Clock Trust Fund established in 1998. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The clock in the Woman's Club building has required many repairs lately, and will undoubtedly need some major overhaul in the near future.

Art. 16. To see if the Town will vote to discontinue the Town History Trust Fund, created in 1996, and to return any amount in the Trust Fund to the Town of Jaffrey's general fund.

LAYMAN'S LANGUAGE: As you may know, the History Committee has completed their work and the new history has been published. There is approximately \$6,500 to be returned to the Jaffrey taxpayers from this fund.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the support of the Monadnock Community Day Care Center. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which is sent to the Town every year to support the non-profit Day Care Center. Many Jaffrey children attend this Center and it provides a benefit to the Community.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$5,434 to support Monadnock Family Services. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Again, this is a petition article which we receive every year. MFS provides many services to the residents of Jaffrey and entire Monadnock Region, and it is seen as a benefit to the community

Art. 19. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Another petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 20. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the work of The Community Kitchen, Inc. or to act in any way related thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is another petition article for support of a local charity.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$1,899 to help support Southwestern Community Services, Inc. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Southwest Community Services provides a number of services

in Jaffrey, including the Headstart Program, and housing for lower income families.

Art. 22. To take up any other business which may legally come before this meeting.

Given under our hands in the Town of Jaffrey, this 10th day of February 2001.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Jaffrey as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Jaffrey has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Jaffrey as of December 31, 1999, and the results of its operations and the cash flows of its proprietary fund types and similar trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Jaffrey taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Jaffrey. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE ALICE POOLE FUND

The Alice Poole Fund Committee continues to be of help to many young and elderly citizens of Jaffrey, as was requested in the will of Alice Poole.

During the year, many elderly residents have received gifts, primarily in the form of checks, to provide additional comforts.

Much has been done to help youth and children, including helping to fund the dental program through the Jaffrey Women's Club, which provides free care to young, needy school children; providing gift certificates from Wal-Mart so that young mothers may purchase needed clothing; and providing gift certificates for food at Market Basket in Rindge for needy families.

Other contributions include the Jaffrey V.F.W. Memorial Ambulance Service, Holiday Baskets through the Jaffrey Police Department, our area food pantry, "Project Share," and providing magazine subscriptions and gifts for local residents at Good Shepherd Nursing Home.

As usual, we expended all our interest, and we feel we have been of great benefit to the Town of Jaffrey during 2000.

**REPORTS
BOARDS,
COMMISSIONS,
AND COMMITTEES**

REPORT OF THE BOARD OF SELECTMEN

Although our individual opinions may sometimes differ, this Board has been unified in our efforts to serve the citizens of Jaffrey. We feel decisions we have made have been prudent, consistent, fair, fiscally sound, and in the best interests of Jaffrey. This year, we have addressed issues brought to us by citizens on pedestrian crossing, speed limits, signs, road and street improvements, transfer station hours, citizen/employee relationships, *etc.* We have addressed and enforced several Zoning and Town Ordinance issues, some of which, unfortunately, have gone to litigation. We have strengthened our procedures dealing with delinquent taxes and user fees to improve the revenue stream.

Members of this Board have actively participated in various Jaffrey boards and committees to understand Jaffrey better. We have also been involved in Regional Selectmen's meetings, Southwest Region Planning Commission, T.E.A.M. Jaffrey, Jaffrey/Rindge School Separation Study Committee, Economic Development Council, and tourism seminars. We feel the Town of Jaffrey has developed a leadership role in the region. We were the first town to develop a Hazard Mitigation Plan, to institute a Regional Solid Waste Study Committee, and to be one of the first towns to develop ordinances on wireless communication facilities.

The New Hampshire Department of Environmental Services (DES) and the Federal Environmental Protection Agency (EPA) continue their relentless pressure on the Town concerning wastewater and drinking water issues. Although the Town was able to reduce substantial leaks by replacement of water mains, we are still under administrative order to find a third water source to meet minimum daily standards. On top of that, these agencies are mandating purer drinking water standards by reduction and elimination of Manganese, Radon, and Copper elements. Thanks to our Public Works Department, replacement of several major lines was completed efficiently and well under budget. This work will continue in 2001. DES and EPA also stepped up their pressure on the Town to improve our wastewater discharge from the Treatment Plant. While we have done a good job to reduce Inflow and Infiltration (I&I), we are still under mandate to make significant improvements to our sewage treatment facilities and system. As noted in last year's annual report, we need to address this issue. Therefore, we come forward this year with the presentation of a Warrant Article to upgrade the wastewater treatment facilities

In keeping with service levels expected by Jaffrey's citizens, the Board addressed major concerns with police and fire personnel. Together, the Board and the Town Manager have worked with the Police Department's union so as to retain trained personnel. We feel this will stop the expensive "revolving door" situation of losing trained employees to other municipalities. With Fire Department personnel, we also recognize the need for trained professionals. In this light, Jaffrey has its first full-time Fire Chief by appointment of Jack White to that position.

We sincerely express our gratitude to Town Manager Jon Sistare for his leadership style, professionalism, and fiscal conservatism. We also express heartfelt thanks to all of the boards and committees that make up Jaffrey's government. Without the involvement of each and every citizen donating time and talent, we surely would be at a loss. Our special thanks to Atlas Advanced Pyrotechnics for the Millennium Celebration, and to T.E.A.M. Jaffrey and the Chamber of Commerce for making our downtown come alive and for the "Welcome Center." We thank each and every citizen for his/her part in making Jaffrey one of the best small towns in which to live.

Richard H. Olson, Chairman

REPORT OF THE CONSERVATION COMMISSION

Jaffrey's Conservation Commission is an all volunteer advisory board whose concerns center on the quality of air, water, and appropriate land stewardship in the town. The members are appointed by the Selectmen, and this year we are celebrating our 28th year as a board, having been established by a vote at Town Meeting in March 1972.

Commission members attend meetings of the other boards in order to contribute information of relevance regarding land use issues, evaluate and make recommendations to the Department of Environmental Services, and make site visits to proposed subdivisions when wetlands may be affected.

Charlie Koch resigned as Chair of the Commission this year. We extend a special thank you to him for being the main force behind initiating a town-wide land and water conservation plan.

The 14-acre Bixler Town Forest became a reality December 2000 when a deed was signed making a gift of the property to the Town.

We hope to involve the citizens of Jaffrey more fully in conservation issues this year by sending periodic mailings on topics such as shoreland protection, dredge and fill applications, or vernal pool identification.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

During the past year, the Economic Development Council (EDC) has been occupied with the management of the two Tax Increment Finance Districts (TIFDs). Upon approval of the revised Stone Bridge Tax Increment Finance Plan at the 2000 Town Meeting, SEA, Inc., a consulting engineering firm, was retained to draw up preliminary bridge designs and cost estimates to replace the current Hadley Road bridge. Four designs were presented to the EDC and TIFD Advisory Committee from which a final design was selected. The Town will now be asked to approve a \$750,000 bridge construction bond at this year's Town Meeting. This bond will be paid by the tax dollars generated from the TIFD previously established. It is anticipated, upon bond approval, that construction plans will be finalized in 2001 and the bridge constructed during 2002. The EDC also approved expending TIFD dollars to pave Old Sharon Road past the entrance to New England Wood Pellets as part of the Stone Bridge TIFD management plan. This project was completed this past Fall. The Stone Bridge Industrial Park experienced major expansions by Monadnock Disposal, Atlas Advance Pyrotechnics, and New England Wood Pellets this past year. The Downtown TIFD continues to support T.E.A.M. Jaffrey and the programs they have undertaken to help revitalize the downtown business area.

EDC members are involved with the various business, industrial, and administrative changes that occurred during the past year or are on going (e.g., the sale of the former fiber glass property and Millipore's expansion plans). Business visitations continue to be part of the outreach program for the EDC and will be on going as a means to keep vacant properties occupied.

Two feasibility grants were submitted on behalf of the Town to the New Hampshire Office of State Planning (OSP). One grant is to conduct an engineering study of the water system at the Duval Manufactured Housing Park and the second grant is to explore the feasibility of a community center for Jaffrey. Both of these grants were approved, and the Town will receive the sum of \$18,000 to implement the feasibility studies. These projects will be on going during 2001 with completion anticipated in 2002.

The EDC looks forward to the Year 2001 as Jaffrey is experiencing many changes in its business and industrial environment.

REPORT OF THE HISTORIC DISTRICT COMMISSION

Jaffrey's Historic District Commission was established by the citizens in 1969 to safeguard the heritage of Jaffrey Center by: (a) preserving a district that reflects elements of its cultural, social, economic, political, and architectural history; (b) conserving property values in the district; (c) fostering civic beauty; and (d) promoting the use of an historic district for the education, pleasure, and welfare of the citizens.

In the Year 2000, your Historic District Commission met nine times to review five applications, all of which were approved, and other business relating to the Commission's ordinance to "regulate the construction, alteration, painting, moving, demolition, or use of structures and places" within the district. In meeting our responsibilities, the Commission held special site visits and communicated with other Town committees.

The Commission has continued to support the Jaffrey Center Village Improvement Society with the new park on the corner of Bryant Road and Main Street. The Commission is now pursuing a project to place signs to highlight the entry into the "Jaffrey Center Historic District," and we wish to extend our thanks to the Selectmen and the Town Manager for their support in our efforts.

The Commission also welcomed Stephen Pierce, Noel Pierce, and Max Mitchell (new owners of the Inn at Jaffrey Center), and we commend them for their restoration efforts and careful attention to detail on The Inn's new addition.

The Commission extends appreciation to William Driscoll for his years of service as Commission member and Chairman.

All residents are reminded that the Historic District Commission's regular monthly meeting is the first Thursday of each month at 7:00 p.m. (Winter meetings are in the Town Office; Summer meetings are in the Meeting House).

REPORT OF THE LIBRARY TRUSTEES

The Jaffrey Public Library forged its way into the new century with the new automated catalog and circulation system up and running. Thanks to funds from both the Town budget and the Friends of the Library, we were able to upgrade our equipment so we can run at optimum levels. Our circulation of materials grew in 2000 to a grand total of 39,661. Based on increased user demand, we expanded our collections of large print books, audio books, and books for teens. Internet access continues to be popular and usage has continued to increase. The Library's staff also uses the web to answer reference questions that our print sources do not cover.

This year, the State Library has provided us with free access to the ProQuest database. Through this resource, we can provide full text articles from magazines and newspapers. Library cardholders can also access ProQuest at home through the Internet by requesting a user name and password at the Library. The Children's Department was able to add a reference computer with an encyclopedia and other reference sources available.

The Library and the Amos Fortune Forum joined forces this year to produce an update of the Amos Fortune informational booklet. With funding provided by the Forum, Peter Lambert did an excellent job of researching and writing the text. *Amos Fortune: The Man and His Legacy* is a great booklet that we can distribute with pride to school children and visitors to Jaffrey.

The Children's Department continues to grow under Christine Tarrío's supervision. 78 programs were offered with 1,438 people attending — an increase over last year. Programs included preschool and toddler story times, story and activity sessions for school-aged children, and cultural events for families. The Fantasy Book Club for grades 4 to 6 was organized and began monthly meetings in August.

The Summer Reading Program had 115 children participating, reading 1,282 books for a grand total of 59,236 pages. A "Kids, Books, and the Arts" grant enabled the Library to host a performance by the team of "Julie and Brownie." "It's Reading Cats and Dogs" was a great success, concluding with an award ceremony and a field day.

Community outreach continues as Headstart and other groups visit the Library. We encourage school classes to visit our facility, and students who are not residents of Jaffrey but attend school here are offered library card privileges. We also worked with the After School Task Force with Christine Tarrío as our representative to bring after school care to the community.

The Library is thankful for the many donations we have received during the year. A Trust in Jean Page's memory, established by her husband, will benefit children's services on an ongoing basis. SCM Associates and the Meyers family donated funds biannually for the purchase of children's books. Funds were received in memory of Helen Krause to refurbish the Bean Room. Unrestricted funds were also received from the Krause family that are being used to expand our audio and video collections and to provide much needed storage. In the spirit of holiday giving, Millipore Corporation also donated money for children's books and audio tapes. Many individuals also continued to support the Library by donating a book in the Third Annual Adopt-a-Book Program.

In closing, we wish to recognize the many people who make this library an important and helpful part of the community, our staff, our weekly volunteers, the Friends of the Library, and you — the people of Jaffrey. Thanks for your support

REPORT OF THE MEETINGHOUSE COMMITTEE

The Meetinghouse was used quite frequently with the season's start in May. It was kicked off by the Conant High School Shakespeare Festival. This used the building to its total capacity. The full beauty of the new curtains/drapes was set off by the colorful costumes of the actors and actresses.

The hall was filled every Friday night during July and August for the Amos Fortune Forum, and, as usual, the quality of the speakers was superlative. The Monadnock Music played to capacity audiences for the several performances they offered. During the summer, the Historic District Commission held their monthly meetings in the Meetinghouse. On several occasions, the building was the scene for weddings, which occurred from the brightness of May until the early frosts of October. During the season, school classes and alumni groups, hosted by volunteers, visited the building and had discussions on its historical background.

During the Christmas season, the Meetinghouse is a beacon to traffic passing on the highways by the candles shining from the many windows.

A maintenance program has been adopted to *touch up* the exterior paint to forestall the expense of a complete paint job and to preserve the pristine appearance of the edifice.

REPORT OF THE MONADNOCK ADVISORY COMMISSION

Report to the Towns of Jaffrey, Dublin, Marlborough, Troy, and Fitzwilliam

The Monadnock Advisory Commission is charged by the State of New Hampshire under *Revised Statutes Annotated (RSA) 258:1* to advise and guide the Department of Resources and Economic Development in the management of their lands and the leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The properties are located on Mt. Monadnock, Gap Mountain, and Little Monadnock Mountain.

The main focus of the Commission this year is to create a new Master Plan in order to ensure that Monadnock Mountain maintains its vitality for the critters who use it as a source of life, challenges those people who use it as a source of recreation, and maintains its integrity while being the most heavily used park in the state. It continues to be a source of inspiration and great memories for the 130,000 individuals who visited this year.

To that end, a steering committee has been meeting monthly to hash out a myriad of concerns and to come to a consensus on a plan that will assure a healthy Monadnock Mountain. As an example, the ability to connect to other large parcels via “greenbelts” is essential in order to maintain a large and healthy population of wildlife. We hope the Master Plan will become a great advocate for these links.

The public is encouraged to contact Commission members with suggestions and comments.

REPORT OF THE PLANNING BOARD

The Planning Board reviewed 28 applications in 2000. By category, they were:

- 15 site plans
- 3 technical subdivisions
- 8 minor subdivisions
- 1 condominium subdivision
- 1 major subdivision

Responding to a recent court decision, the Board is proposing a change to the Impact Fee section of the Land Use Plan relative to off-site improvements. There are suggested changes in the Flood Plain section (updating), in the section describing the timing of application procedure (to conform to new statute), and a statement that reaffirms the right to farm (adapting to the new state statute). Some other proposed changes are essentially "housekeeping."

Last year, we had determined that the Land Use Plan and other ordinances should be reviewed to determine their long-range impact on two major concerns — the "rural character" of the town and natural resource protection. The problems of sprawl are extensively discussed in professional publications as well as the popular press. As noted in this report last year, our job was to find the appropriate solution for Jaffrey.

Months of research and discussion produced a rough draft. In September, the Planning Board hosted a presentation by a nationally recognized planner, Randell Arendt, which was well attended and enthusiastically received. At the October public hearing, the Board introduced, for discussion, the proposed changes. We wish to thank all who participated in these discussions. Your ideas and comments are part of the new recommendations. The process — started in February 2000 — has produced several interrelated proposals to be submitted to Town Meeting 2001. Some sections of the Land Use Plan have been "tightened," some have been "loosened," and some encourage good design and attention to the scenic dimension of the landscape. We believe we are getting closer to the overall balance that will help us preserve the special qualities of the town without sacrificing economic growth and vitality.

The wireless communication facilities requirements will be reviewed in 2001. The technology and industry direction have outdistanced our initial work on these facilities — now four years old.

I thank the members of the Planning Board. The past year has involved everyone in new ideas and an intense process of achieving consensus. Hundreds of hours of work precede this brief report.

REPORT OF T.E.A.M. JAFFREY

The past year has been very exciting for T.E.A.M. Jaffrey as we have begun laying the groundwork for the development of an overall plan for revitalizing downtown Jaffrey. In January, Kathy LaPlante of the New Hampshire Main Street Center visited Jaffrey and worked with T.E.A.M. partners and interested residents to form our first work plan. This plan laid out our tasks and goals for the following 18 months, ending in June 2001. The four committees that comprise a Main Street Program (*i.e.*, Design, Economic Restructuring, Promotion and Organization) then began the hard work of design studies, surveys, visual assessments, training, and building an organization.

In February, we received word that Jaffrey had been recognized as a Certified National Main Street Community. Our website (www.teamjaffrey.org) also received two national awards for overall achievement and ease of use. If you haven't visited yet, this site contains a wealth of information on Jaffrey, including available commercial properties, a community events calendar and special events calendar where you can post your own events, free e-mail postcards from Jaffrey, a photo album, and demographic information.

The Promotion Committee sponsored six business ribbon cuttings and introduced a line of Jaffrey Commemoratives. Working with local merchants, they published four cooperative merchant advertising flyers, introduced the "Jaffrey Bucks" program accepted by over 30 local merchants, designed a downtown logo and slogan — "Mountain, Mills, and more ... Jaffrey, NH," and set up a free merchant button distribution. Perhaps the most remembered event was our presentation of "Scarecrows on the Common," which drew families and sightseers from around the region to downtown Jaffrey for the following weeks while the "crows" were on display. This event was followed by the popular merchants' "Trick or Treat on the Town." Our year's work ended with our participation in the Christmas Tree Lighting, "Wreath on Every Door," Merchant Window Display Contest (won by The Dahle House), and assistance in the Town Christmas Decorating.

For the Economic Restructuring Committee, it was the year of the Survey (*i.e.*, Business Assessment Survey, In-store Survey, Downtown Customer Intercept Survey, Volunteer Tourism Survey, Consumer Resident Survey, and content analysis of Jaffrey Promotional Information). The results of the surveys are currently being analyzed and will be used in planning a business recruitment program and further work projects. Also as a result, we have formed a tourism forum group to work on promoting Jaffrey, and we have placed Jaffrey advertisements in the promotional pieces of the New Hampshire Office of Travel and Tourism. In September, we began a twelve-month, local market analysis under the direction of Kennedy Smith, Director of the National Main Street Center.

The Organization Committee participated in the Jaffrey Millennium Celebration by hosting the Great American Barbecue, published our first newsletters, fostered over 100 newspaper articles on Jaffrey, and continued with fundraising and volunteer recruitment programs. Currently, they are planning for the Jaffrey Riverfest (to be held Saturday, May 26, 2001).

The Design Committee is currently preparing recommended design guidelines for the printer. They have secured a grant for placing the downtown district in nomination for the National Historic Register, offered a sign grant program, and sponsored a downtown Spring cleanup day. In addition, the Design Committee was entrusted by the Jaffrey Chamber of Commerce with two additional projects not in the work plan — completion of the Homer J. Belletete Welcome Center and the oversight of the downtown plantings, which resulted in new planters for the bridge and in front of the Dillon Block.

In closing, T.E.A.M. Jaffrey partners spent over 14,600 hours volunteering to better our community over the past year. We are always looking for input, and anyone is welcome to help.

REPORT OF THE RAILS TO TRAILS COMMITTEE

Progress continues to be made on upgrading the railbed. The firm of Vanasse Hangen Brustlin, Inc., has been hired to produce a basic design for areas of the railbed that are in need of construction. For example, drainage ditches along the bed need attention, as does erosion in some areas. Along with preparing a basic design, the firm will also procure all the necessary permits to allow construction to begin. The firm will be paid approximately \$25,000 for this part of the project; that is what we have budgeted. We hope that once this mandatory part of the project is complete, construction will begin sometime in the summer of 2001. The amount of money budgeted for construction is \$75,000. Although this is not a tremendous amount of money for this project, we are confident all aspects of the upgrade can take place.

In terms of railbed ownership, the State of New Hampshire owns from the Winchendon/Rindge town line (*i.e.*, the Massachusetts/New Hampshire state line) north to Savron Graphics in Jaffrey. The State of New Hampshire gave the Town of Jaffrey the option of ownership from Route 124 to the Peterborough town line, and we opted to take it rather than have the state sell the land as surplus property.

We hope, as the town continues to grow and take pride in it itself, the asset of the rails-to-trails corridor will enhance the community and allow the town's residents and our visitors to enjoy the natural resources Jaffrey has to offer.

REPORT OF THE ZONING BOARD OF ADJUSTMENT

In 2000, the Zoning Board of Adjustment received 36 applications resulting in the following decisions:

	<u>Approved</u>	<u>Denied</u>	<u>Withdrawn</u>
Administrative Appeal	2		1
Equitable Waiver	1		
Special Exception	4	2	2
Variance	<u>20</u>	4	
TOTALS:	27	6	3

The Zoning Board of Adjustment hears appeals from any order, requirement, decision, or determination made by an administrative official and administers special provisions in the ordinance dealing with variances and special exceptions.

The Board meets the first Tuesday of each month when there are requests to be heard. Each applicant must provide the Town with a list of abutters so they can be notified of the hearing by certified mail. Prior to any scheduled hearing, a notice is printed in a local newspaper. The public is welcome at zoning meetings. Citizen input is encouraged and appreciated.

REPORT OF THE TOWN MANAGER

We are again faced with the need to ask the Town for approval of another bond for our sewer system. The amount requested is a significant amount of money, and neither the Selectmen nor I enjoy putting forth bond articles in this amount.

As much as we all enjoy Jaffrey and our lifestyle in the Monadnock Region, we are beset with the problem of being at the headwaters of the Contoocook River. In many respects, this might be enviable as we are able to enjoy Contoocook Lake and the river as it passes through town. However, it is not so enviable with the relatively small size of the river at the discharge location and the resulting requirement to provide a high level of treatment so as not to kill the aquatic life in the river. This situation has resulted in our requirement to provide a mechanism to remove ammonia and certain metals from our discharge. The cost to do this will be approximately \$3-million.

In addition to the amount of money required for the additional treatment, we need to upgrade the River Street pumping station and provide a plan for the disposal of sludge (the stuff at the bottom of the sewer lagoons) and septage. We have included the cost for all these requirements in one bond article. In this way, we can take better advantage of grant and loan programs available from the federal government.

The other bond article we have put forward is to construct a new bridge across the Contoocook River (adjacent to the wastewater facility). You may recall from the 1999 Town Meeting that we created two Tax Increment Finance Districts (TIFDs). One of the TIFDs is in the Old Sharon Road area. The purpose of the TIFDs is to allow the taxes from new construction to be set aside to construct additional infrastructure in that particular section of town. The TIFD in the Old Sharon Road area has seen a great deal of growth, and, as a result, we have the necessary income to construct a new bridge. This bridge will provide a straight access across the river instead of the current zigzag. The cost for this bridge will be borne directly by the TIFD and will not affect your taxes. We see this as a means to help create growth in our tax base, but not be a burden to all the taxpayers in the process.

The pace of the local economy continues to result in a higher demand for local services. We have seen a direct impact of the current economic growth on each of the Town's departments. Our budget request for 2001 is a reflection of these increased demands for service. We hope that the Town government is a flexible organization which can respond to the demands of the town and its residents. If it doesn't seem that way to you, then by all means call me and we will attempt to address your concern.

As always, I would like to thank all the employees of the Town, in whatever capacity they serve, for their hard work and dedication to their jobs. It is a pleasure to work with all these people and to see the pride they take in their work. A job well done by each employee results in a better community for everyone, and I appreciate all they do.

Jonathan Sistar

REPORT OF THE ANIMAL CONTROL OFFICER

In addition to answering calls for stray and missing animals, this office has begun work to have the town's pets provided for in case of a disaster that requires evacuation of Jaffrey's residents. While we are still quite a way from having a fully implemented plan in effect, this office will continue to work on the project until there is a workable plan to have Jaffrey's residents' pets cared for in case of an emergency.

The following report covers calls answered from January to mid-September 2000:

Lost Dogs	38
Stray Dogs	291
Lost Cats	26

REPORT OF THE FIRE DEPARTMENT

Jaffrey's Fire Department had another busy year in 2000; we responded to 200 emergency calls. For the past two years, we have experienced a substantial increase in calls.

Jaffrey Fire Department Calls for 2000

Motor Vehicle Accidents	42	21%
Fire Calls: Structure/Nonstructure	22	11%
Automatic Alarms	40	20%
Mutual Aid to Surrounding Communities	20	10%
Brush Fires	11	6%
Service Calls	52	26%
Carbon Monoxide and Hazardous Materials Incidents	13	6%

Unfortunately, we had to replace one of the three heating units in the Fire Station. We have replaced this hot air unit with a boiler that is large enough to replace all three hot air units and our electric hot water heater. The two hot air units in the truck bay will be removed as soon as one of them fails.

The Fire Department will be reviewing all plans for larger types of occupancies. We review these plans and go over them with the builders to ensure they comply with the New Hampshire Fire Code and the Life/Safety Code adopted by the Town of Jaffrey. We will also inspect all apartment houses, factories, and places of assembly for compliance to the Fire and Life/Safety Codes. Hopefully, this will be done with the cooperation of the owners of these properties; however, we must be aware that the State Fire Code and the Life/Safety Code are law. The Fire Department is required to ensure all buildings comply with these codes. This is done in the interest of fire prevention, life, and safety. The Fire Department will work with any property owner to achieve compliance. We can be reached at 532-8377.

Jaffrey is currently experiencing a shortage of volunteers to become call firefighters; we are searching for a few good candidates to become call firefighters. It is an excellent and rewarding way to serve your community. However, thanks to a core of very good firefighters we remain very capable.

Our fire/rescue apparatus and equipment remains in excellent condition; we are continually upgrading and maintaining. We plan to add Class A foam capabilities in the near future.

The Fire Department, V.F.W. Ambulance, and Police Department request that all property owners properly display address numbers. There is an ordinance that requires proper address numbering. Fire, Ambulance, and Police personnel have noticed that there a large number of properties that are not properly numbered. This often causes a delay in finding an address; in an emergency, minutes can make a big difference. Jaffrey's firefighters, emergency medical personnel, and police officers ask you to please properly display address numbers.

The Fire Department, with the help of the Gilmore Pond Association, was able to install a dry hydrant at the Great Road end of the pond. This hydrant was sorely needed in this area. This gives us a total of 12 dry hydrants that the Fire Department has installed.

We must again thank Jaffrey's firefighters for their service and dedication. We also thank Jonathan Sistare, the Board of Selectmen, and the citizens of Jaffrey for their support.

Install and Maintain Home Smoke Detectors. They cut the risk of a fatal fire nearly in half.

John A. White, Chief

REPORT OF THE OVERSEER OF PUBLIC WELFARE

In general, the Year 200 was a good year. Even though the general relief budget was cut back \$10,000, we managed to come in with an unexpended balance. Expenses in all categories with one exception rose above 1999 expenditures. The lone exception was a sizable decrease in request for groceries. Expenses in this category were down 65%. Requests for medical (mostly prescription drugs) and utility expenses increased by 10% and 7% respectively.

Once again in 2000, the single largest expense was housing. Expenditures in this category increased 9.8% to a total of \$52,552.39. This represents 67% of the total budget. This category alone eats up almost 100% of the money from the General Fund. The time is near when housing costs are going to consume our entire budget. The Town, either in cooperation or partnership with outside agencies, must begin to develop low-cost housing.

REPORT OF THE POLICE DEPARTMENT

Year 2000 was an excellent year for the Jaffrey Police Department. Many of our goals and objectives were met, and we continued to improve our managerial and leadership philosophy to manage the department better. We continue to receive several state and federal grants.

We have become much more involved in the community, recognizing that rural policing must be a police/ community partnership to be most effective. Our efforts have reduced crime and traffic crashes, and we are working hard to reduce drug and alcohol abuse in our town.

Our department is recognized as one of the best and most professional, progressive law enforcement agencies in New Hampshire. We have established a fine working relationship with our schools, our peers throughout the state, and with our governing board and other Town departments. Several members of our department have received nominations and awards this year:

Chief Robert Pelio — Women's Crisis Services "Partners in Justice" Award
Detective William Oswalt — Nomination for "Top Cops" Award
Master Patrolman Scott Stevens — Nomination for "Top Cops" Award
Sergeant Todd Feyrer — "Looking Beyond the Traffic Stop" Award
Officer Michael Prince — "Looking Beyond the Traffic Stop" Award
Sergeant Steven Reynolds — "EDDY" (NH Education Association) Award/D.A.R.E.
Administrative Assistant Lori Coffin — Named to "Who's Who of American Women"

Our managers and supervisors have concentrated on instilling the basic leadership qualities of ethics, setting good examples, and paying close attention to the importance of our values and our mission and vision statements. Our investigators have concentrated on giving top priority to cases involving crimes against people. Our School Resource Officer has concentrated on working with our schools and youth to combat crime and violence, prevention programs, and helping our kids to aspire to be the best they can be. The patrol staff provides professional, proactive patrols. This maximizes traffic safety and takes an opportunity away from the criminal. The prosecutorial staff concentrates on making sure that lawbreakers receive swift and fair punishment and that victims are protected and safeguarded. Our support staff ensures that data and information is collected, recorded, analyzed, and stored under the highest standards possible. The support staff also make sure that all walk-in and telephone customers are treated in a friendly, efficient, and professional manner.

We have made vast improvements in technology, training, recruit selection and retention, morale, and responding to the needs of our community. We are proud to serve you.

In 2001, we will continue to improve our technology and management information systems to assist us in serving our community better and helping to ensure officer safety. We seek to provide Town government and the community with more relevant and timely data and to improve our presence and partnership with our community. I will be actively pursuing federal and state grants for safety programs, including targeting drunk/drugged drivers, aggressive drivers, and noncompliant drivers. We will continue to investigate crime aggressively, to patrol proactively, and we will be working toward state and national accreditation.

Bob Pelio
Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemetery/Parks and Commons Division: The Town performed seven full-body and ten cremation burials, finished the reconstruction of the Cutter Cemetery Tomb, and maintained the Town's public places.

Highway Division: The Highway crew performed regular maintenance on over 64 miles of Town roads. Winter months in 2000 were light in terms of snow and ice compared with other years. A new seven-cubic-yard dump truck was procured to replace Truck No. 3.

Road work was performed by the Town on the following roads:

Prescott and Squantum Roads — repaved 2,400 linear feet;
Lehtinen Road — reconstructed and paved 1,455 linear feet;
Town Farm Road — reconstructed and paved 3,880 linear feet;
Old Sharon Road — reconstructed, widened, and paved 1,100 linear feet (Tax Increment Finance District [TIFD] project);
Charlonne Street — repaved 1,600 linear feet, replaced sidewalk, and installed granite curbing (with water line work);
Howard Hill Road — repaved 1,450 linear feet (with water line work); and
Dublin Road — repaved 1,200 linear feet (with water line work).

The Town also coordinated with the State project, which included resurfacing Route 202 northeast of downtown Jaffrey. The Public Works Department conducted an engineering study for a new bridge at Pierce Crossing and Hadley Roads, which was administered under the TIFD.

Solid Waste/Transfer/Recycling Division: The Town processed approximately 1,305 tons of solid waste and demolition debris, which represents a 9% increase over 1999's quantity. Hauling rates for disposal of this waste increased to \$120/ton — a significant increase over previous rates and among the highest in the nation. The Town also processed a substantial amount of recyclable material. The Town undertook steps to conduct a waste management study. A new glass crusher was purchased.

Sewer Division: The Sewer crew maintained the sewer pipe system, five pump stations, and the treatment plant. The Town made repairs to the wastewater lagoon aeration system and instrumentation equipment. A wastewater pilot treatability program was completed in early 2000. The Town hired Wright-Pierce, Inc., to assist with ongoing efforts to meet state and federal mandates. The Town continues to evaluate copper in the water and wastewater systems. Flow records indicate the recent sewer work has succeeded in reducing infiltration and inflow (I/I).

In 2000, the Town accomplished the following further sewer I/I work:

- Howard Hill Road — replaced 250 feet of old clay pipe with new PVC pipe (8"); and
- Aetna Street — replaced 140 feet of old clay pipe with new PVC pipe (8") and replaced two manholes.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Water Division: The Town crew accomplished the following work to improve the pipe network:

- Route 124 (five-way west to Oak Street) — installed 1,200 feet of 12" ductile iron pipe (replacing old pipe);
- Route 124 (west of Mead Brook) — installed 2,700 feet of 8" HDPE pipe (replacing old pipe);
- Howard Hill Road — installed 1,400 linear feet of 12" HDPE pipe;
- Charlonne Street — installed 1,500 linear feet of 12" ductile iron pipe (replacing old pipe);
- Dublin Road — installed 1,200 feet of 12" ductile iron pipe (to improve hydraulics); and Conant Cemetery — installed 2,500 feet of new 1" line.

The Town experienced fewer water line breaks than in recent years. Pressure data indicate that the ongoing water line work is substantially reducing leakage. In early 2000, the electronic control system for the water pumps failed, and the Town initiated short-term and long-term repairs for that and for other equipment. The new water supply study was suspended temporarily to address these problems and to assess the reduction in pipeline leakage. The Town initiated computer modeling of the water system pipe network.

REPORT OF THE RECREATION DEPARTMENT

Welcome to the new Millennium! It's hard to believe that in February 2001 I will have been here for three years. Each year presents new opportunities for programs and activities. As always, our department is thankful for the assistance and support provided by volunteers, other Town employees, Friends of Recreation, and especially the Recreation Department Staff. Our success is a direct result of our staff's dedication, and we are blessed with an excellent group.

This past year provided an opportunity for our Program Director, Bud Deyo, to become the new Recreation Director in Hopkinton. This is our second Program Director to take a position as a Recreation Director in New Hampshire — something we can be proud. Our new Program Director, Ken Butler, began in June and has been a great addition to our staff.

Highlights and New Programs in 2000: The following activities and new programs are just a few of the Recreation Department's offerings. In January, we began a new ski program at Pat's Peak for students in the 6th grade and older. In February, we had the first program offering activities for students on winter break, offering a mall trip, snow tubing, bowling, and skating. In March, our office at Humiston Field was improved with new flooring, a new front desk, indoor paint, and a new roof. Much of the work was done by our staff. In April, our second Spring Break Camp enjoyed record attendance, and the Easter Egg Hunt had the largest crowd in recent years. In May, Kathy Batchelder and I assisted in the American Heritage Tour for 8th Graders for six days with students from Jaffrey, Rindge, and the Conval District. June began our summer activities with record attendance in the A.I.M. Camp, a new sports camp for Middle School students, the start of the Summer Band Concert series, opening of swim areas (with new swim area markings) at Lake Contoocook and Thorndike Pond, and our popular swim program. Also in June, the skate rink at Humiston was resurfaced with two additional basketball goals, a volleyball court, and court markings. In July, we had great attendance at the Annual John Morgan Run, and we hosted another Boy's Babe Ruth District Tournament at Humiston Field. September saw the Millennium Celebration with great activities for the entire town and surrounding area. Also in September, we assisted a group of seniors in forming the Monadnock Seniors' Club. In October, the popular Halloween Haunted Hay Ride was expanded yet again as over 50 volunteers from Franklin Pierce College provided assistance for the two-night adventure. Also in October, we began a Flag Football Program for boys and girls that was very well received. In December, we prepared the Town's decorations with the assistance of the Chamber of Commerce and T.E.A.M. Jaffrey, teaming up for a great Christmas Tree Lighting. Our final event of December was the Christmas Craft Fair that was sold out for vendors and enjoyed record attendance.

What to Expect in 2001: With the new year comes new challenges for our department. Programs will be evaluated, changed, or eliminated. New programs will be added. Our goal in the upcoming year is to communicate to you on a more timely and accurate basis. Expect to see brochures three times each year to inform you of major upcoming events. We will expand the hours of our ice skating area this winter. The Summer Sports Camp will be revamped to offer adventure outings during the summer as well as sports specific camps. We are offering a professional Soccer Camp this summer for middle and high school players. We are expanding our facility at Humiston Field to include more storage area. Additional trips will be offered to Celtic games, the Boston Flower Show, and other areas of interest. The upcoming year will be one in which we evaluate each segment of our business and make improvements.

In conclusion, thank you for your trust and commitment in allowing the Jaffrey Recreation Department to provide quality recreation programs for our residents.

Walter Pryor, CLP
Recreation Director

REPORT OF THE REGIONAL PROSECUTOR

The position of Regional Prosecutor was created three years ago. As of January 2001, in addition to serving the Towns of Jaffrey, Peterborough, and Dublin, the Regional Prosecutor will also prosecute on behalf of the Town of Rindge. Last year, the Regional Prosecutor handled over 1,200 misdemeanor and violations brought by the police departments of the three original towns. In order to effectively serve the police departments and citizens of the new four-town region, the following budgetary and organizational adjustments are planned for the coming year and beyond.

Approval has been given by the Selectmen from the four towns to create the position of part-time Assistant Regional Prosecutor. This person will primarily handle motor vehicle violations and juvenile matters. The search for the new assistant is on going as of the filing of this report, and a qualified candidate is expected to be offered the position and be in place, hopefully, by the middle of January.

Until now, the Regional Prosecutor has traveled from police department to department, collecting files, preparing for court, and responding to correspondence and phone calls received at each department relative to that department's cases. This procedure has necessitated the Prosecutor physically going to a particular department to check on something contained in a departmental file in order to take some action in the disposition of a case. This inefficient and costly process is about to change.

Beginning in 2001, in anticipation of the building of the new courthouse (which will house the Regional Prosecutor's office), each of the four departments will forward a prosecution copy of their case files so that the Prosecutor may have a copy of every matter for which he is responsible at his disposal in his office at all times. Although the new courthouse will not be completed for some time, the addition of Rindge to the mix makes centralizing the prosecution support functions an immediate priority.

Until such time as the Regional Prosecutor's office is located in the new courthouse, the Regional Prosecutor, his legal assistant, and the Assistant Prosecutor will be headquartered at 26 Main Street in Jaffrey. The Court, State agencies, defense attorneys, and the general public will be advised and requested to direct correspondence and communications of all kinds to the Prosecutor's office at this location. To facilitate mail reception, a post office box will be obtained and used after the first of the year.

Although the Regional Prosecutor and support functions are being centralized in Jaffrey, the Prosecutor and his assistant will be available to meet the victims, witnesses, and members of the public at the police department nearest to them, particularly when child care, transportation, or other concerns make travel to Jaffrey a hardship.

Your Regional Prosecutor is proud of the work he and his staff have done during the past year. I owe much of the success experienced in handling criminal matters for the towns to the dedicated, professional, and compassionate members of each town's police department.

My sincere thanks also go out to the ordinary men and women who, throughout the year, have made the extraordinary sacrifice of time and emotional energy to courageously assist the police, testify in Court, and help to do justice.

Respectfully submitted,

David Park
Regional Prosecutor
